

Business Connections – a new feature in TIR-EPD!

By completing and publishing your Profile you will open the information to third parties and other TIR transport operators searching for a TIR transport operator for business purposes.

With the Business Connections feature you will get:

- The possibility to increase your business opportunities thanks to the visibility provided to your profile through TIR-EPD,
- The possibility to partner with other TIR operators (e.g. in order to overcome various restrictions, including those related to COVID-19).
