

Delivering Smiles & Cargoes :)

Worldwide Services - Road, Air & Sea

A team of specialized fellows gathered together to provide a wide range of transport services to clients on their shipments through out the world according to their demands. ClifFar was established in 2011 to offer scheduled and smooth services so that its valued clients could rely on ClifFar team as a partner. Our mission is to bring the goods at the right time with utmost care from origin to the usage of the consignee.

ClifFar is organizing all modes of transport and can offer solutions on **Air, Rail, Sea** and **Road** shipments. **Full Loads** and **Less Loads** are being handled for import and export cargo all over EU.

We organize transports in Germany and from Europe to the whole World, some of our major destinations are: France, Italy, Austria, Romania, Bulgaria, Turkey, Iraq, Iran, Georgia, Armenia, China, Taiwan, Thailand and South Korea. We provide below Services:

- **Road:** Full Truck Loads, Groupage Cargo, Temp. Controlled Cargo
- **Air Freight:** from Germany Main Airport
- **Sea Freight:** from the whole EU and LCL cargo from DE, DK, HU, CZ, PL
- **Import Air Freights / Sea Freights** (DAP Deliveries)
- **Out of Gauge Transports:** Oversize, Overweight, Projects
